Hey Joe, where're you going with that gun in your hand?

Hey Joe, I said where're you goin' with that gun in your hand
 I'm gonna go help those ol' feds,
 You know the first responders, that are protecting our homeland
 And you know they are gadget-heads

Hey Joe, what about that, uh, fishy company?
 Where you gonna run to, Joe, where you gonna run to ?
 Go get a cover.
 I'm gonna go down South, I'm gonna go down South to Elliott,
 I'm going down, down, down to a startup where a man can be free
 No one's gonna put a noose around my neck,
 No one is gonna give me life, no.
 I'm goin' down to Elliott Ave., going down.

I'm nobody's million dollar revenue, nobody's Patsy anymore
 And I feel so free.
